

HORSEBACK RIDING CAMP

Horseback riding is a wonderful sport that contributes to the wholesome environment that we provide for our youth. Our horse programs are designed to meet each individual at his/her own level of riding and horsemanship. In our commitment to safety, we work to teach youth in a fun and safe environment.

Spring Break Camp This camp is for anyone ages 8-16 that loves horses. We will introduce students to the subjects of horse care, safety, feeding, tack care, basic terminology, arts/crafts and riding. The camp is designed with the Girl Scout Horse Fan and Horseback Rider badges in mind. Both boys and girls are permitted.

Level I This camping experience is centered toward novice horsemen and horsewomen. A full day jam packed with riding, demonstrations from guest educators and fun games that help campers learn the ins and outs of the horse world.

Level II Our Level Two camp is geared for returning campers, lesson takers and the more advanced rider. Campers continue their equine education through games, guest speakers, activities and even learn a different style of riding.

Participants have the option to spend the night with the horses on Friday evening.

Long pants for riding (jeans will suffice – no slippery pants). Shoes with a heel (no dress shoes) hiking boots permitted. Helmets are provided.
